

- VISION:** The National Disability Rights Network (NDRN) has a vision of a society where people with disabilities have equality of opportunity and are able to participate fully in community life by exercising choice and self-determination.
- MISSION:** NDRN's mission is to promote the integrity and capacity of the P&A/CAP national network and to advocate for the enactment and vigorous enforcement of laws protecting civil and human rights of people with disabilities.
- WHO WE ARE:** NDRN is the nonprofit membership organization for the federally mandated Protection and Advocacy (P&A) Systems and Client Assistance Programs (CAP). Collectively, the P&A/CAP network is the largest provider of legally based advocacy services to people with disabilities in the United States.
- WHO WE SERVE:** NDRN members serve individuals with a wide range of disabilities – including, but not limited to, those with cognitive, mental, sensory, and physical disabilities.
- WHAT WE DO:** NDRN members investigate reports of abuse and neglect, and seek systemic change to prevent further incidents; advocate for basic rights; and ensure accountability in health care, education, employment, housing, transportation, and within the juvenile and criminal justice systems for individuals with disabilities.
- WHERE WE WORK:** The P&A/CAP Network is federally mandated to operate in every state and territory in the United States. In addition to the 50 states and territories – American Samoa; District of Columbia; Guam; Northern Marianas Islands; Puerto Rico; and the US Virgin Islands – there is also a federally mandated Native American P&A System.
