

EQUALITY, EQUITY & FAIRNESS

People with disabilities are full and equal citizens under the law. They are entitled to equal access to the opportunities afforded to all members of society.

The National Disability Rights Network (NDRN) is the nonprofit membership organization for the federally mandated Protection and Advocacy (P&A) Systems and Client Assistance Programs (CAP), the nation's largest providers of legally-based advocacy for people with disabilities.

NDRN promotes the network's capacity, ensures that P&As/CAPs remain strong and effective by providing training and technical assistance, and advocates for laws protecting the civil and human rights of all people with disabilities.

WITH OUR ALLIES' SUPPORT...

NDRN continues to improve the lives of people with disabilities by promoting the adoption of life safety codes, standards and legislation; guarding against abuse and neglect; and ensuring access and accountability in health care, education, employment, housing, transportation, voting, and within the juvenile and criminal justice systems.
